This will be Southern Cruisers' 33rd annual car show. For the past 32 years we have operated as a Christian non-profit charity providing financial help to children & adults in Bulloch & surrounding counties.

Judging is performed by a select group of Southern Cruisers members and other car enthusiast that knows cars, trucks and motorcycles.

Southern Cruisers members vehicles are on display only & are not entered in the any open class competition.

Our last few years, we've averaged 200+ vehicles making our show one of the largest in southeast Ga. This is an "open class" show which all vehicles compete in the same class.
